Foster/Adoption Ministry

Talatha is partnering with a ministry called "Making Others Our Own". This is their vision: By partnering with churches, we hope to help launch engaged and informed support systems through local church communities. Our dream is that each believer would find a specific way they can be involved in supporting adoption through their local church, whether that be in giving their time, money, or voice to support families in their church, their community, as they walk through the adoptive process.

The goal is to have our church members actively involved in some way supporting the orphans of our community, not all through fostering/adopting, some with their time or finances.

Thank You Card from Donna Eden

Dear Talatha family,
Thank you so much for all your acts of kindness during the death of my Dad. Your cards, calls, texts, food, and the beautiful plant were a comfort during this difficult time. Most of all your prayers for strength were felt. There is no church like Talatha and I am so honored to call it "Home".
May God bless you all as we continue to serve together.

Love,
Donna Eden
